

## PROJECT STOVE SWAP

# REDUCE HARMFUL AIR POLLUTANTS IN YOUR HOME

**Resources are available** to update old, inefficient wood burning stoves or appliances so you can protect your friends and family and breathe clean air.

## UPGRADE YOUR OLD WOOD STOVE

for free or at a deep discount through Project Stove Swap.

**The Fond du Lac Band partners with the nonprofit Environmental Initiative** to simplify the upgrade process and determine what option fits your needs. Local vendors will swap out current appliances and make the upgrades.

To be eligible, you must qualify for one of these programs:

- Supplemental Nutrition Assistance Program (SNAP)
- Medical Assistance/MinnesotaCare
- Women, Infants, and Children's Program
- Income Qualified Home Energy/Weatherization Assistance Program
- Head Start
- Social Security Disability Insurance

## GET STARTED

Contact Paige Huhta or Anthony Mazzini to learn more and start your swap.

**Paige Huhta**  
Air Program Coordinator  
paigehuhta@fdlrez.com

**Anthony Mazzini**  
Air Technician/Environmental  
Outreach Coordinator  
anthonymazzini@fdlrez.com

**Save money,  
keep warm, and  
protect the air  
and the health of  
our community  
through these  
improvements.**
