Boozhoo Waazh families,

We are very happy with everything that has taken place so far. We've already being in school for one month. We say Miigwech for all that you do working on Anishinaabe language. Here are some of the things we have done here already. We have been working on both the Gregorian calendar as well as the Anishinaabe Calendar. The Waazhishag are already starting to be able to ask us for the things that they want in the language. We have also been working on a lot of vocabulary for the gym time. Here are some of the phrases they have learned to ask us:

- Daga baakinamawishin – Please Open it for me!
- Daga niwii-minikwe – Please, can I have a drink?
- Daga niwii-saaga'am – Please, can I go to the bathroom?
- Daga wiidookawishin – Please help me!

We are writing down all the vocabulary the Waazhishag are having success with to make a supplement to give to you all. If you have any questions for us please feel free to contact us at [waazh@fdlrez.com](mailto:waazh@fdlrez.com).
